Outstanding Service*

Roberts Vault Co.

What is a burial vault?

A burial Vault is a concrete container that encases and protects your loved ones casket. The weight of earth and large cemetery equipment can crush an unprotected casket. Burial vaults can also help resist water intrusion to give you further peace of mind.

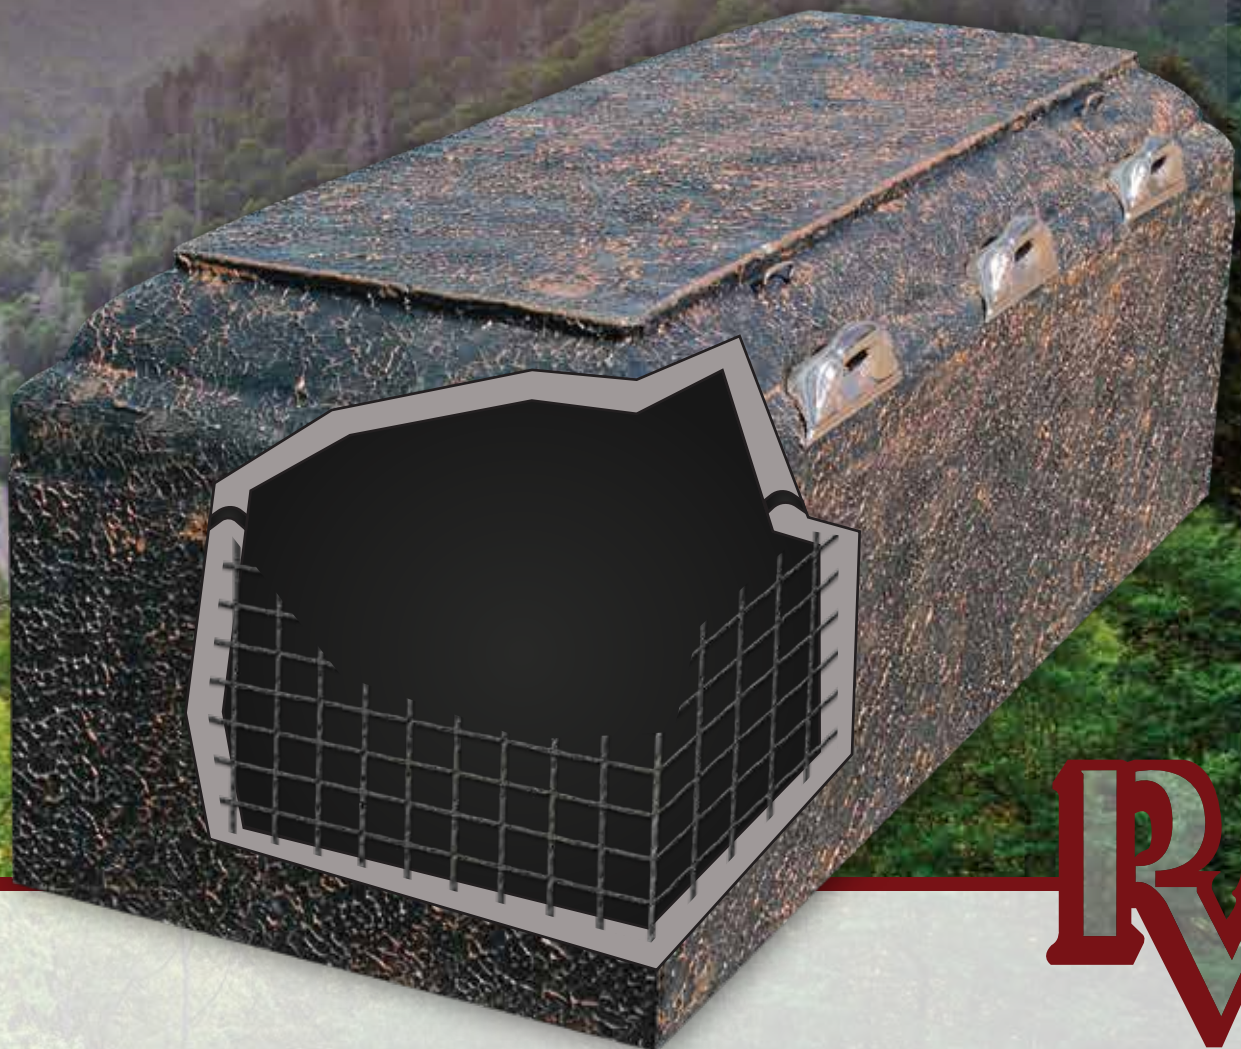

Superior Products & Outstanding Service

Why choose a Roberts Vault?

A Roberts Vault is manufactured to meet very specific specifications. Every vault has a reinforced cover and base. Our concrete is regularly tested to guarantee strength. Roberts Vault product specifications are:

- Manufactured with quality-controlled concrete, 5000+ P.S.I.
- Manufactured with galvanized steel handles for lifting
- Reinforced with welded wire mesh, top and bottom
- Reinforced with steel rods, cover and base

Stainless Presidential

Presidential Series

The Roberts Copper and Stainless Steel Presidential burial vaults offer the strength of four layers of protection:

- Steel and welded wire mesh reinforcement
- 5000 psi concrete
- Polymer inner liner
- Copper or Stainless Steel inner liner

Additional features include

- Poured hot sealant in positive V groove
- Hand textured exterior
- Two tone water resistant latex coating
- Six Copper or Chrome handles

Copper Presidential

Presidential Series

First Lady

The First Lady's interior features a simulated marble polymer liner and poured sealant in the deep lid groove. The exterior of the First Lady is hand finished in a gold over white water resistant latex paint coating and six gold handles.

First Lady

Old Hickory

The Old Hickory interior features a simulated wood grain polymer liner and poured sealant in the deep lid groove. The Old Hickory's exterior is hand finished in a two-tone brown water resistant latex paint coating and four decorative handles.

Old Hickory

Mr President

The interior of the Mr. President's features a polymer liner and sealant poured in the deep lid groove. The exterior of the Mr. President is coated with a water resistant latex paint.

Mr President

Presidential Series Cremation Urns

Presidential Series Cremation Urn Vaults

First Lady, Old Hickory and Mr President urn vaults are also part of Roberts Presidential Series. The interior of the Presidential urn vaults feature a black polymer liner and poured sealant in the deep lid groove. The exterior is finished with a water resistant latex paint coating.
